

High Achiever Scholarships

The Victoria University of Wellington
Foundation Studies Programme
New Zealand

Studying at Victoria University of Wellington is a great way to build a strong foundation for success.

Victoria is number one in New Zealand for research quality. You'll learn from Victoria's world-class teachers and researchers and benefit from close connections with business, government and scientific research communities.

The Victoria University of Wellington Foundation Studies Programme prepares international students to study an undergraduate degree at Victoria University, providing the necessary language, academic subject matter and learning skills you will need to excel.

Up to NZ\$5,000

will be awarded to selected candidates following receipt of the official application form as well as providing evidence of academic success.

Outstanding students are encouraged to apply for these Scholarships which recognise students with:

- › Excellent academic grades from the previous two years of study
- › Demonstrated leadership capability

To learn more about our students who have succeeded in the foundation programme and beyond please check

universitypathways.acgedu.com

Please contact your local education agent or your ACG representative to submit an application for ACG's upcoming intakes on 18 April, 16 July and 8 October 2018.

Please note these scholarships are only valid for new students commencing in 2018 and will be awarded at the discretion of ACG Education and may be discontinued at any time.
